(wow low price!!)
July-Aug 2012 Shopkeeper Bells
are unavailable 120 days or more
due to factory fire.

Hear Your Customer's Coming!

**An entrance alert bell with class.
A solid brass bell on an easily adjustable
and mountable 9" spring-steel bracket that's
perfect for
stores,**

screen doors

poolside entrances

...anywhere where an entrance or exit alert is needed.

Virtually every store owner could use

one of these entrance bells!

Available in one size and style

(Pictured to the left).

**Steel Band is 7 to 9 inches
Bell measures 1 5/8" in diameter
and 1 1/2" in height.**

Shop Keepers Bell

**This shop keeper's bell is wonderful to use
wherever there is a need for an
entrance or exit alert. Some examples of those
types of areas are: homes,
stores, screen doors, pool areas, etc. This neat bell
is crafted from brass coated steel and is able
to adjust angles by simply
using pliers to make it fit any door.
It will need to be secured with two screws or nails**

Shipping for this item --
These are shipped in plastic bag
(This is how I get from Factory)
