\$30 Shipping \$7**

I am not sure which version I will have in stock.

**Old Style Visitor Chime
\$30 Shipping \$7**

**These work on lights and shadows
and are not true infrared beam entry chimes
for a lot of small stores
they are satisfactory and they are cheap
VC 388t**

each uses different type batteries

**Announces customers entering and leaving,
Acts as a sentinel for unattended areas and
private offices. Discourages shoplifting, and
allows personnel to work in other areas.**

**Wireless and compact, the Wireless Visitor Chime
can be easily concealed and mounted, using its hanging hole
Its built-in sensor operates up to a range of 5 meters, sending
a clearly audible melodic signal when somebody passes
through the sensor-covered area.**

**The Wireless Visitor Chime is one of the most reliable and convenient
early alert systems to announce entry or exit from a monitored area**

Description:

**Alerts employees when visitor enters or exits.
Pleasant "ding-dong" sound with high-low-off
volume control. Light-reactive sensor with
sensing distance of up to 15 feet.
May be used with door open or closed
Mounts easily on wall or door frame.**

**Operates on 2 "C" type batteries (not included.)
some models use 3 or 4 AA or AAA batteries**

Features:

Power ON-OFF switch
HI-LOW volume control
5 meter range
Clear speaker sound
No wiring
low energy consumption design
Some units accept DC power supply
Selectiable Melodies (some units)
